Before and After School Care 2017

Tuesday 17th January 2017

Dear Parents,

Please find attached the booking form for the COOSH Before and After School Care program located at A Block and the ELC.

- Junior COOSH (K-1) will be located at the ELC.
- Senior COOSH will be located at A block, with years 2-3 in the music room.

Our programs aim to create a fun and stimulating environment for children, which is tailored to the different age groups. Besides A block and the ELC, the school hall, oval and equipment will also be utilised. Different types of activities will be organised for different areas. Staff will constantly engage the children in discussions and make observations to determine interest levels and what activities are required.

Quality programs are developed to respect your child/s individual needs. Planning is developed to ensure that the program is age appropriate and fun.

Please refer to our 2017 Parent Handbook for associated costs. All fees are payable to COOSH. Our Office and Accounts Manager can assist with queries about accounts and invoices for COOSH can be contacted at coosh.holyfamily@cg.catholic.edu.au. Alternatively, our office is located at the ELC and open from 10:00am – 5:30pm every day.

Regards,

The Holy Family COOSH Team
